RE: Right to Know Request

Dear Brakey:

The New Hampshire Fish and Game Department is in receipt of your right to know request dated October 7, 2026, in which you are seeking town level bear/human conflict data. The Department's response is provided as an attachment to this email.

An absent town year indicates that no conflicts were reported to the Department for that town.

Repeat calls from the same property are logged separately if it is a separate incident. Multiple calls to different staff members for the same incident are considered one incident. Reporting methods and coverage were the same for all years for which the data is provided.

Sincerely,

/s/ Melissa Nemeth
